

▶ .EU Landrush Generates 1.6 Million New Domain Registrations

Following a total of 702,684 new .eu domain name registrations in the first four hours, and 1.5 million registered in the first week, the new .eu extension currently has approximately 1.6 million domain names registered.

This makes .eu, the fourth largest top level domain in Europe, behind Germany (.de), the United Kingdom (.uk) and the Netherlands (.nl).

At Net Energy Internet, not only are we are pleased to support the new extension, we are offering the registrations at £12.95 per year - one of the lowest prices of companies able to register .eu domain names.

To check the availability of .eu domain names, please use our no-obligation search tool on our website at www.netenergy.net.

There are also discounts for the bulk purchase of multiple .eu domain names - please contact sales@netenergy.net for details.

▶ Free Transfer To Net Energy Internet

From the 1st of May to the 1st of June (inclusive), we will be running a special offer for customers who would like to transfer UK domain names from another ISP across to us.

▶ **New Photos For Our Office Move**

Following up on our upcoming office move, we have added more photographs of the building process to the gallery on our website.

Check out the new pictures at:

Most of the interior walls are now up and work is currently being carried out to tape and joint the partitions.

There's still a lot to do and we'll add photographs regularly, so keep checking the gallery page!

▶ **Take The Actinic £1000 Challenge**

Ahead of the release of version 8, Actinic are running an e-commerce site design competition with a prize of £1000 cash and promotional package for the best overall offering.

The promotional package will also be awarded to all of the top designs and will include:

Cont...

- An exclusive appearance in a new Featured Designer box on the Actinic homepage (30,000 unique visitors per month).
- Three months inclusion in a new Designers' Showcase page with a graphic and web link.
- Inclusion as a new design Theme in v8 with an acknowledgement and link back to the designer's site.

As well as the first prize, Actinic will also award the promotion package to a selected number of top designs and 'runners up' designs will appear as downloadable themes with the acknowledgement and link to the designer's site.

Designs are being judged on visual impact, creativity and effectiveness showcasing Actinic's features.

If you would like to enter, your design must be e-mailed to editor@actinic.co.uk including your company name and address by Monday the 30th of April 2006.
